

Healing From Childhood Trauma

NEW Therapy Groups Starting February 23, 2010

For

Young Children & Their Parents or Guardians

6-week program for young children who have experienced childhood trauma, such as abuse or neglect or witnessing violence, and for their parents or guardian

We can help!

Our Youth Therapy Group provides children who have been abused with the means to understand what happened to them, that they are not alone, that it was not their fault, and how to feel safe!

Children
